Financial statements March 31, 2021

# **Managerial responsibilities**

The Board of Trustees, which is responsible for, among other things, the financial statements of the **Art Gallery of Ontario** [the "Gallery"], delegates to management the responsibility of the financial statements. Responsibility for their review is that of the Finance Committee. Each year, the Trustees of the Gallery appoint independent auditors to audit and report directly to them on the financial statements. The financial statements were prepared by management in accordance with Canadian accounting standards for not-for-profit organizations, which were consistently applied. Management maintains a system of internal accounting controls to ensure that transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. There are limits inherent in all systems based on the recognition that the cost of such systems should not exceed the benefits to be derived. Management believes its system provides the appropriate balance in this respect.

The Gallery's Finance Committee, which carries out the function of an Audit Committee, is appointed by the Board of Trustees annually. The Finance Committee is comprised of members of the Board and two ex-officio non-voting members of management. The Finance Committee meets with management and with the independent auditors [who have free access to the Finance Committee] to satisfy itself that each group is properly discharging its responsibilities and to review the financial statements and the independent auditor's report. The Finance Committee for its consideration in approving the financial statements for issuance to the Members of the Gallery.

# Independent auditor's report

To the Members of the **Art Gallery of Ontario** 

We have audited the financial statements of the **Art Gallery of Ontario** [the "Gallery"], which comprise the balance sheet as at March 31, 2021, and the statement of operations and changes in net surplus (deficit) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Gallery as at March 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Gallery in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Gallery's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Gallery or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Gallery's financial reporting process.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
  intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  Gallery's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
  on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
  cast significant doubt on the Gallery's ability to continue as a going concern. If we conclude that a material
  uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
  financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based
  on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions
  may cause the Gallery to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## 1. Description

The Art Gallery of Ontario [the "Gallery"] is incorporated under the Art Gallery of Ontario Act, 1966 [the "Act"] and is a transfer payment recipient of the Ministry of Tourism, Culture and Sport of the Province of Ontario by virtue of this Act. The Gallery holds its collection of works of art in trust for the people of Ontario.

The Art Gallery of Ontario Foundation [the "Foundation"] is an independent corporation, incorporated under the laws of Ontario without share capital. The Foundation receives, accumulates and distributes funds and/or the income therefrom for the benefit of the Gallery. The accounts of the Foundation are not included in the accompanying financial statements. Funds from the Foundation are given to the Gallery when approved by the independent Board of Trustees of the Foundation [note 14].

The Gallery is a registered charity under the Income Tax Act (Canada) and, as such, is exempt from income taxes.

### 2. Summary of significant accounting policies

These financial statements are prepared in accordance with Part III of the *CPA Canada Handbook – Accounting*, "Accounting Standards for Not-for-Profit Organizations", which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

#### **Revenue recognition**

The Gallery follows the deferral method of accounting for contributions, which include donations, bequests and government grants. Grants and bequests are recorded as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Donations are recorded when received since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue when initially recorded in the accounts. Externally restricted contributions are deferred when initially recorded in the accounts. Externally restricted contributions are recognized. Membership fees are deferred and recognized as revenue over the term covered by the fees. Revenue from the sale of goods and services is recorded when the goods are delivered and the services are rendered. Lease revenue is recognized as revenue in the statement of operations and changes in net surplus (deficit).

#### Cash and cash equivalents and short-term investments

Cash and cash equivalents consist of cash on deposit, bankers' acceptances and guaranteed investment certificates with an original term to maturity of less than 90 days that are readily convertible to cash with no penalty. Other redeemable short-term investments that have maturities beyond the 90 days are classified as short-term investments.

#### Inventories

Inventories, which represent goods held for resale, are valued at the lower of cost and net realizable value. Inventory value is determined using the weighted average method.

#### Works of art

The value of works of art has been excluded from the balance sheet except for a nominal value of \$1,000. Gifted works of art are recorded as revenue at values based on appraisals by independent appraisers. Accession of art for collection, both gifted and purchased, is expensed.

When works of art are deaccessioned and then sold, proceeds from the sale of the deaccessioned works of art must be restricted to acquire new works of art or for direct care of the art. Proceeds from the sale of deaccessioned works of art are included in deferred contributions and recognized as revenue when the expense related to the acquisition of the new works of art or expense for direct care is recorded.

#### Capital assets

Purchased capital assets are recorded at cost. Contributed capital assets are capitalized at fair market value at the date of contribution. When significant parts of capital assets have different useful lives, they are accounted for as separate components. Capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

| Buildings and building improvements | 20 - 40 years |
|-------------------------------------|---------------|
| Equipment and furnishings           | 3 - 10 years  |

Capital assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not contribute to the Gallery's ability to provide goods and services. Any impairment results in a write-down of the asset and an expense in the statement of operations and changes in net surplus (deficit). An impairment loss is not reversed if the fair value of the related asset subsequently increases.

#### Other assets

Costs directly related to the development of future temporary exhibitions and future special events are presented as other assets when the Gallery can reliably demonstrate that there is a future economic benefit associated with these costs. These costs are expensed over their useful life, which for future temporary exhibitions is the period over which the exhibition is held and for future special events is the date of the event. Such costs are expensed immediately when they are related to advertising or promotion and when there is insufficient evidence that the costs are recoverable.

#### Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the yearend exchange rate. Revenue and expenses are translated at the rate in effect on the settlement date. Foreign exchange gains and losses are recorded in the statement of operations and changes in net surplus (deficit).

#### Donated materials and services

The value of materials and volunteer and other services donated to the Gallery is not recorded in the financial statements.

#### Pension plan

The Gallery maintains a defined benefit pension plan and accounts for this plan using the immediate recognition approach. Under this approach, the Gallery recognizes the amount of the accrued obligation net of the fair value of plan assets in the balance sheet. Current service and finance costs are expensed during the year, while remeasurements and other items, representing the total of the difference between actual and expected return on plan assets, actuarial gains and losses, and past service costs, are recognized as a direct increase or decrease in net surplus (deficit). The accrued pension asset (liability) is determined using a roll-forward technique to estimate the accrued pension asset (liability) using funding assumptions from the most recent actuarial valuation report prepared at least every three years. Pension plan assets are measured at fair value at the date of the balance sheet.

Contributions to the money purchase component of the pension plan are expensed when due.

#### Allocation of expenses

The costs of each function include the costs of personnel and other expenses that are directly related to the function. General support costs are not allocated except for amounts allocated to gallery shop and food and beverage related to facility operating costs.

#### **Financial instruments**

The Gallery initially measures its financial assets and liabilities at fair value. The Gallery subsequently measures all its financial assets and liabilities at amortized cost, net of any provisions for impairment.

Financial assets and liabilities measured at amortized cost include cash and cash equivalents, grants and accounts receivable and accounts payable and accrued liabilities.

#### 6. Credit facility and long-term debt

- [a] The Gallery has a \$4,500,000 revolving demand line of credit for operating purposes bearing interest at the bank's prime lending rate. As at March 31, 2021 and 2020, no amount was drawn on this line of credit.
- [b] On September 30, 2019, the Gallery entered into a secured fixed rate term agreement with a 15-year amortization period for an amount of \$2,852,000. This loan bears interest at a fixed rate of 2.94% per annum for the first three years and can be renegotiated at the end of the three-year period and is secured by a property. The loan is repayable in monthly instalments comprising principal and interest of \$15,732. As at March 31, 2021 \$2,691,000 [2020 \$2,800,000] is outstanding, of which \$108,000 [2020 \$108,000] is the current portion and \$2,583,000 [2020 \$2,692,000] is long term. The interest on the loan for the year ended March 31, 2021 was \$80,000 [2020 \$42,000] and is included in interest expense in the statement of operations and changes in net surplus (deficit).
- [c] On July 27, 2017, the Gallery entered into an unsecured loan agreement with a 15-year amortization period for an amount of \$6,650,000. This loan bears interest at a fixed rate of 3.060% per annum for the first five years and can be renegotiated at the end of the five-year period. The loan is repayable in principal monthly instalments of \$37,000 plus interest. As at March 31, 2021, \$5,024,000 [2020 \$5,467,000] is outstanding, of which \$444,000 [2020 \$444,000] is the current portion and \$4,580,000 [2020 \$5,023,000] is long term. The interest on the loan for the year ended March 31, 2021 was \$161,000 [2020 \$175,000] and is included in interest expense in the statement of operations and changes in net surplus (deficit).

## 12. Pension plan

The Gallery maintains a pension plan that covers substantially all of its employees. The plan provides retirees with pensions on a money purchase basis or on a defined benefit basis using a formula based on service and the best five years of earnings.

The latest actuarial valuation for the pension plan was performed as of September 1, 2018. The Gallery measures its accrued benefit obligation and the fair value of plan assets for accounting purposes as at March 31 of each year. Information about the defined benefit component of the Gallery's pension plan is as follows:

|                                   | <b>2021</b><br>\$ | <b>2020</b><br>\$ |

## 15. Volunteers of the Art Gallery of Ontario

The Volunteers of the Art Gallery of Ontario support the Gallery's mission through their active support of Gallery initiatives and programming. In accordance with the current partnership between the Gallery and the Volunteers of the Art Gallery of Ontario, all monies attributable to volunteer efforts are reflected directly in the Gallery's revenue.

During the year ended March 31, 2021, the Volunteers of the Art Gallery of Ontario donated \$60,011 [2020 – \$54,108] to support The Montgomery Collection: Exhibition & Research [2020 – *Brian Jungen: Friendship Centre*], from endowment income of the Volunteer Endowment Trust. These funds were transferred from the Volunteer Funds held within the Foundation [*note 14*] and are recorded as deferred contributions on the balance sheet.

## 16. Financial instruments and risk management

The Gallery is exposed to various financial risks through transactions in financial instruments.

### Credit risk

The Gallery is exposed to credit risk in connection with its grants and accounts receivable because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation. The Gallery assesses the credit rating of the other party. It is management's opinion that the risk related to receivables is minimal.

#### Currency risk

The Gallery is exposed to currency risk with respect to its accounts receivable and accounts payable and accrued liabilities denominated in foreign currencies, as the fair value and future cash flows will fluctuate due to the changes in the relative value of foreign currencies against the Canadian dollar. The Gallery manages this risk by maintaining cash balances in the foreign currency from the settlement of its accounts receivables to settle amounts in accounts payable as they become due.

## Liquidity risk

The Gallery is exposed to the risk that it will encounter difficulty in meeting obligations associated with its financial liabilities. The Gallery mitigates this risk by monitoring cash activities and expected outflows through budgeting and maintaining investments that may be converted to cash in the near term if unexpected cash outflows arise.

## 17. COVID-19

In March 2020, the World Health Organization declared the spread of the coronavirus disease ["COVID-19"] to be a global pandemic. Governments in Canada and globally introduced strict restrictions that included the shutdown of non-essential services, travel restrictions, barring of gathering of people, and requirements to stay home. These restrictions impacted the operations of and resulted in essentially the closure of most organizations. The Gallery was able to open with capacity restrictions in July 2020 and required to close at the end of November 2020. The Gallery remains closed until Provincial restrictions are lifted.

The closures directly impacted the Gallery's temporary exhibition schedule which, in turn, impacted several areas of its operation. Aside from the impact on direct revenue, the closures resulted in lower expenses for exhibitions, marketing, utilities and other major expense categories. During the closures, the Gallery worked to provide online content and engagement with key audience segments to ensure the strong connection is maintained and regenerated when the Gallery is able to reopen.

Revenue for the Gallery was significantly impacted by this shutdown. The Gallery designed and implemented a plan to fund most labour, including part-time staff that elect to be recalled from Declared Emergency Leave. The funding plan was comprised of confirmed donations, funding from the Canada Emergency Wage Subsidy ["CEWS"] and a 25% reduction in salaries. The CEWS program provided a grant of \$13,169,000 [2020 – nil] which is recorded in government grants in the statement of operations and changes in net surplus (deficit) *[note 9]*. As at March 31, 2021, \$2,437,000 [2020 – nil] is included in accounts receivable.

Management considered the impact of COVID-19 in its assessment of the Gallery's assets and liabilities and its ability to continue as a going concern. Although COVID-19 has had a significant impact on operations, management believes that the Gallery continues to have sufficient liquid resources to manage the business through the next year.

#### 18. Comparative financial statements

The comparative financial statements have been reclassified from statements previously presented to conform to the presentation of the 2021 financial statements.
