

# Virtual School Programs JK-3

Use this worksheet to write, draw or reflect on the artworks you have seen during the virtual session! Share your responses with us at #AGOSchools. If you don't have a printer, feel free to use your own sketchbook or piece of paper!

## COLOUR

### ART WORDS

- **Warm colours** increase the temperature of a work of art. Red, orange and yellow are examples of warm colours.
- **Cool colours** may make you feel cool. They can decrease the temperature of a work of art. Blue, green and purple are examples of cool colours.

### OBSERVATIONS

What colours did you notice in the art? Which colours are **warm**? Which colours are **cool**?  
Can you show the colours here? You can use crayons, pencil crayons, markers, or any materials you have.

How do these colours make you feel when you look at the art? For example, does the colour blue make you feel happy, sad, peaceful, angry, excited? Put your ideas here:

If you could change the colours in the art, which colours would you change? Try to draw the art using your colours. How do your colours make you feel?
