TEXTURE

ART WORDS

- **Texture** is the way something feels, or the way something looks like it would feel...if you could touch it. For example, textures can be hard, soft, smooth, rough, bumpy, sticky, or slippery.

OBSERVATIONS

This is a **texture** scavenger hunt! Circle the **textures** you can find in the art!
You can also add pictures, or name what you found.

HARD	BUMPY	SMOOTH
SLIPPERY	YOUR CHOICE!	STICKY
ROUGH	SILKY	SOFT

How did the artist make those **textures**? What materials did the artist use? For example, did the artist use paint, stone, glass, wood, fabric, metal, paper or something else? Put your ideas here:

Ask an adult to help you find some **textures** around your home. For example, you might find a piece of cardboard or a crumpled piece of tinfoil. Put a piece of paper over them and make a rubbing with a crayon. This will make the **textures** show on your paper!
