

# COURSE SYLLABUS

## Introduction to Photography (18+) 4-Week

**Instructor: Brian Piitz**

Wednesday 6 - 9 PM

Friday 2:30 - 5:30 PM

- Class 1:
  - In our first class, we uncover the presentation of camera controls (i.e., shutter & aperture), depth of field, metering, exposure, and white balance. Introduction to Treasure Hunt Assignment.
- Class 2:
  - We review student photographs from Treasure Hunt Assignment. We also have a presentation of a selection of photographs from The Photographer's Eye Discussion.
  - We will also introduce the second assignment.
- Class 3:
  - We review our second assignment and enjoy an introduction to Portrait photography. Our third assignment (will be issued, and we will also engage in a lighting demonstration.
- Class 4:
  - Review of student photographs from Portrait Assignment. We will take portrait photographs of a live model.
