Art As Play: Keith Haring Explorations (18+) 4-Week
Instructor: Cleopatria Peterson
S2 Friday 2:30 - 5:30 PM

- Class 1: Introducing Haring and Play
  ○ This class takes a visit to the Keith Haring exhibition as we learn to experiment with composition and line.

- Class 2: Sequential Stories
  ○ We’ll play with the sequential nature of Haring’s artwork. Using the skills explored in the first class, we’ll continue to explore how an image’s meaning changes when placed next to another.

- Class 3: Public Publications
  ○ We’ll learn how to create a one-page zine and an accordion zine.

- Class 4: Printmaking Power
  ○ We’ll create simple stencils, inspired by previous classes, to develop two-layer screenprints in homage to the bright and fun prints of Haring.
