

COURSE SYLLABUS

Introduction to Drawing (18+) 10 Week

Instructor: Carol Matson

Friday, March 22 – May 31, 2:30 – 5:30 pm

Class 1:

- A study of value through the grey scale and introduction to the element of form.

Class 2:

- Gesture, contour drawing and mark making to create volume.

Class 3:

- Drawing in the Henry Moore Sculpture Center as a continued study of form, line and value.

Class 4:

- Negative and positive space. The 17th C. gallery as inspiration for a still life.

Class 5:

- One point perspective and its place in visualizing space.

Class 6:

- Thumbnail sketching in the Group of Seven gallery and creating a landscape with pastels.

Class 7:

- Creating a pastel portrait using a grid.

Class 8:

- Directional drawing. Preparation for the model.

Class 9:

- Drawing the nude female model.

Class 10:

- Drawing on a non-traditional surface.
