

COURSE SYLLABUS

Introduction to Everything (18+) 5 Week

Instructor: Gilliane Russell

Thursday, October 17 - November 14, 10 am - 1 pm

Class 1: Drawing from observation

- Students will learn the principles of drawing including line, shape, form and dimension.

Class 2: Painting with Acrylics

- Students will be introduced to colour theory and explore various techniques of working with acrylic paint.

Class 3: Sculpture:

- Using air dry clay students will explore basic sculpting techniques including assembly, modelling and carving to create three-dimensional clay sculptures.

Class 4: Linocut Printmaking

- Students will use easy carve lino to create a stamp and explore printmaking techniques.

Class 5: Watercolour

- Students will learn core watercolour techniques to create a vibrant still life from transparent washes.
