

COURSE SYLLABUS

Introduction to Everything (18+) 5-Week

Instructor: Cleopatria Peterson

Wednesday, March 20 – April 17, 7 - 10pm

Class 1: **Still Life Drawing**

- Students will be drawing a table set up with different materials for different timed intervals. We will then take a break and students will be allowed to bring their own props to the table and change the display themselves. We will end with a musical chair drawing session.

Class 2: **Painting**

- Students will learn techniques to transfer images to canvas, and basic colour theory to create fun and finished paintings.

Class 3: **Sculpture**

- Using air dry clay students will spend the class sculpting objects.

Class 4: **Linocut Printing**

- Students will use easy carve lino to create a set of small prints.

Class 5: **Finishing Touches**

- Students will use this class to finish their paintings and paint their sculptures.
