

COURSE SYLLABUS

Introduction to Sculpture (18+) 4 Day Intensive

Instructor: Anran Guo

Tuesday - Friday, June 18 - 21, 10 am - 1 pm

Class 1: Clay Modelling

- Students will be introduced to different kinds of clay
- Students will observe and use clay to model an enlarged sculpture of their ears (hand size)

Class 2: Waste Mould Making

- Students will be introduced to waste mould, learning how to mix plaster

Class 3: Casting

- Students will learn how to prepare moulds for casting
- Students will pour plaster into the moulds
- A lecture will be given about using casting in contemporary art (material and form)

Class 4: Finishing

- Students will learn how to take the sculpture out of the mould and finish it
